RESEARCH EXPERIENCE

Undergraduate Project

Computational Investigation of the Allen-Cahn and Cahn-Hilliard equation
supervised Dr. A.K. Bhattacharjee, Professor, Dept. of Physics, Asutosh College, University of Calcutta

- On solving the nonlinear Allen-Cahn and Cahn-Hilliard equations using spectral methods for greater accuracy using small lattice sizes.

EXTRACURRICULAR ACTIVITIES AND OTHERS

- Speaker in a group presentation contest at the Delight Physics Lab, Kolkata, India and gave a presentation titled “Arrow of Time” based on unidirectional flow of time in February 2020
- Received invitation for undergraduate associateship in Physical Sciences at the Saha Institute for Nuclear physics, 2019 (*Could not attend due to conflicting exam schedule at my university*)
- Received invitation for National Initiative of Undergraduate Sciences (NIUS) camp, 2019 at Homi Bhabha Centre for Science Education, Tata Institute of Fundamental Research, Mumbai (*Could not attend due to conflicting exam schedule at my university*)
- Participated in Central Board of State Education (CBSE), State Level Science Exhibition in 2014 and 2015
- Captain of the school chess team
